§ 416.995 If we make a determination that your physical or mental impairment(s) has ceased, did not exist or is no longer disabling (Medical Cessation Determination).

If we make a determination that the physical or mental impairment(s) on the basis of which disability or blindness benefits were payable has ceased, did not exist or is no longer disabling (a medical cessation determination), your benefits will stop. You will receive a written notice explaining this determination and the month your benefits will stop. The written notice will also explain your right to appeal if you disagree with our determination and your right to request that your disability or blindness benefits be continued under § 416.996. The continued benefit provisions of this section do not apply to an initial determination on an application for disability or blindness benefits or to a determination that you were disabled or blind only for a specified period of time.

[53 FR 29023, Aug. 2, 1988]

§ 416.996 Continued disability or blindness benefits pending appeal of a medical cessation determination.

(a) *General.* If we determine that you are not eligible for disability or blindness benefits because the physical or mental impairment(s) on the basis of which such benefits were payable is found to have ceased, not to have existed, or to no longer be disabling, and you appeal that determination, you may choose to have your disability or blindness benefits, including special cash benefits or special SSI eligibility status under §§ 416.261 and 416.264, continued pending reconsideration and/or a hearing before an administrative law judge on the disability/blindness cessation determination. If you appeal a medical cessation under both title II and title XVI (a concurrent case), the title II claim will be handled in accordance with title II regulations while the title XVI claim will be handled in ac-

cordance with the title XVI regulations.

(1) Benefits may be continued under this section only if the determination that your physical or mental impairment(s) has ceased, has never existed, or is no longer disabling is made after October 1984.

(2) Continued benefits under this section will stop effective with the earlier of: (i) The month before the month in which an administrative law judge's hearing decision finds that your physical or mental impairment(s) has ceased, has never existed, or is no longer disabling or the month before the month of a new administrative law judge decision (or final action is taken by the Appeals Council on the administrative law judge's recommended decision) if your case was sent back to an administrative law judge for further action; or (ii) the month before the month in which no timely request for reconsideration or administrative law judge hearing is pending after notification of our initial or reconsideration cessation determination. These benefits may be stopped or adjusted because of certain events (such as, change in income or resources or your living arrangements) which may occur while you are receiving these continued benefits, in accordance with § 416.1336(b).

(b) *Statement of choice.* If you or another party (see § 416.1432(a)) request reconsideration under § 416.1409 or a hearing before an administrative law judge in accordance with § 416.1433 on our determination that your physical or mental impairment(s) has ceased, has never existed, or is no longer disabling, or if your case is sent back (remanded) to an administrative law judge for further action, we will explain your right to receive continued benefits and ask you to complete a statement indicating that you wish to have benefits continued pending the outcome of the reconsideration or administrative law judge hearing. If you request reconsideration and/or hearing but you do not want to receive continued benefits, we will ask you to complete a statement declining continued benefits indicating that you do not want to have your benefits continued during the appeal. A separate election must be made at each level of appeal.
